INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1991, ch. 127, pars. 1001 et seq., as amended).

NOTICE OF PROPOSED RULES

Section 1570.50 Fee Determination

a) Pursuant to Section 1570.40, the Authority shall establish the maximum fee for each calendar year by December 10 of the preceding year. In establishing this fee amount, the Authority shall consult with representatives of criminal justice agencies, and representatives of municipal, civic, and business groups to:

- 1) establish a reasonable estimate of the actual costs to participating criminal justice agencies throughout the state to comply with these rules, and
- 2) determine if there would be an unreasonable negative impact or undue burden placed on requesters of conviction information.

b) Pursuant to the Act, nothing herein shall be deemed to prevent a criminal justice agency from waiving or reducing the fee established pursuant to Section 1570.40. For the calendar year 1994, the maximum fee established by the Authority that a criminal justice agency other than the Department of State Police may charge and assess under these rules shall be ten dollars (\$10).

d) A criminal justice agency may presume that the maximum fee, as determined in this Section, shall remain constant from calendar year to calendar year unless specifically notified to the contrary by the Authority pursuant to Section 1570.60.

Section 1570.60 Notification of Fee Amount

a) Within seven working days after the fee has been established for a calendar year, the Authority shall inform the chief executive officer of each criminal justice agency in Illinois of the amount of the fee. However, notice of the fee for a calendar year shall be given no later than December 15th of the preceding calendar year. Other interested agencies, organizations, and the public shall, upon request, also be entitled to be informed of the amount of the fee set by the Authority. Within 7 working days of receipt of such a request, the Executive Director of the Authority shall inform the requester of the fee approved by the Authority.

Requests for notification of the fee amount may be made by calling the Authority at (312)793-8550 between 8:30 a.m. and 5:00 p.m. on working days or by writing to:

- 1) Heading of the Part: Related Program Provisions
- 2) Code Citation: 89 Ill. Adm. Code 117

117.10
Amendment
Proposed Action:
- 4) Statutory Authority: Section 12-13 of the Illinois Public Aid Code (Ill. Rev. Stat. 1991, ch. 23, pars. 12-13)[305 ILCS 5/12-13], Illinois Public Act 88-412
- 5) Complete Description of the Subjects and Issues Involved: These proposed amendments are necessary to comply with the provisions of Public Act 88-412 by adding an additional circumstance of substance abuse to the reasons for assigning a protective payee. As a result of these proposed amendments, a protective payment plan will be initiated by the Department when substance abuse by the caretaker relative is identified and another family member or friend is ensuring that the family's needs are being met.

The problem of substance abuse is of great concern to members of the child welfare community. When an AFDC client is experiencing problems with substance abuse (e.g. drugs, alcohol, etc.), the AFDC payments made to that caretaker relative may not always be used in the best interests of the children. In these situations, there may be another family member or close family friend, other than the caretaker relative, who is ensuring that the family's needs are being met (i.e. paying rent, purchasing food, etc.). The family member or friend actually addressing the family's needs may be better able to accept responsibility for receipt of the family's assistance benefits and to use these benefits in the best way possible to ensure that the children's needs are met.

Since the care and supervision of the children and management of the family's resources must be handled directly on a day by day basis to ensure that assistance benefits are not used to subsidize substance abuse, it is more appropriate that the family member or friend be made protective payee rather than a local office staff member or outside agency. In addition, a client's landlord, landlord's employee or vendor of goods or services to the client will not be assigned as a protective payee.

When it is determined that the protective payment plan is no longer necessary to ensure that the AFDC grant is being used to meet the needs of the family or when the former caretaker relative is no longer receiving and no longer requires treatment for substance abuse, the protective payment plan will be terminated.

SUBPART E: ADDITIONS TO AND SUBTRACTIONS FROM
TAXABLE INCOME OF INDIVIDUALS, CORPORATIONS,
TRUSTS AND ESTATES AND PARTNERSHIPS

Section 100.2470 Subtraction of Amounts Exempt from Taxation by Virtue of Illinois Law, the Illinois or U.S. Constitutions, or by Reason of U.S. Treaties or Statutes (IITA Sections 203(a)(2)(N), 203(b)(2)(I), 203(c)(2)(K) and 203(d)(2)(G))

a) Taxpayers are entitled to subtract from adjusted gross income an amount equal to all amounts included in such total which are exempt from taxation by this State either by reason of its Constitution or by reason of the Constitution, treaties or statutes of the United States (IITA 203(a)(2)(N)). There are also provisions of Illinois law that exempt the income of certain obligations of state and local governments from Illinois income taxation (See subsection (f), below).

b) Interest on obligations of the United States. A federal statute exempts stocks and obligations of the United States Government, as well as the interest on the obligation(s) from state income taxation (See 31 U.S.C.A. 3124(a)).

1) "Obligations of the United States" are those obligations issued "to secure credit to carry on the necessary functions of government." *Smith v. Davis* (1944) 323 U.S. 111, 119, 89 L. Ed. 107, 113, 65 S. Ct. 157, 161. The exemption is aimed at protecting the "Borrowing" and "Supremacy" clauses of the Constitution. *Society for Savings v. Bowers* (1955) 349 U.S. 143, 144, 99 L. Ed. 2d 950, 955, 75 S. Ct. 607, 608. *Hibernia v. City and County of San Francisco* (1906) 200 U.S. 310, 313, 50 L. Ed. 495, 496, 26 S. Ct. 265, 266.

A) Tax-exempt credit instruments possess the following characteristics:

i) they are written documents,

- g) Other income exempt from Illinois income taxation by reason of Illinois statute:

- 1) Income earned by certain trust accounts established under the Illinois Pre-Need Cemetery Sales Act [815 ILCS 390/16]. Section 16(f) of the Illinois Pre-Need Cemetery Sales Act provides that; because it is not known at the time of deposit or at the time that income is earned on the trust account to whom the principal and the accumulated earnings will be distributed, for purposes of determining the Illinois Income Tax due on these trust funds, the principal and any accrued earnings or losses relating to each individual account shall be held in suspense until the final determination is made as to whom the account shall be paid.

- h) Income not exempt from Illinois income taxation. The following types of income are not exempt from Illinois income taxation:

- 1) Income from securities commonly known as GNMA "Pass-Through Securities" and also known as GNMA "Mortgage-Backed Securities" issued by approved issuers under 12

U.S.C.A. 1721(g) and guaranteed by GNMA under 12 U.S.C.A. 1721(g) (Rockford Life Insurance Co. v. Department of Revenue, 112, Ill.2d 174, 492 N.E. 2d 1278 (1986), reh. den. June 2, 1986) and income from debentures, notes, and bonds issued by the Federal National Mortgage Association including mortgage-backed bonds issued under authority of 12 U.S.C.A. 1719(d) and guaranteed by GNMA under 12 U.S.C.A. 1721(g).

2) Accumulated interest on Internal Revenue Service tax refunds. Illinois Department of Revenue Letter Ruling No. 86-0640, dated July 11, 1986, citing Glidden Co. v. Glander, 151 Ohio St. 344, 86 N.E. 2d 1, 9 A.L.R. 2d 515 (1949).

3) Income from U.S. securities acquired by a taxpayer under a repurchase agreement ("repo") with a bank or similar financial organization. The Department takes the position that, for income tax purposes, such agreements are generally to be treated as loans. That is, the taxpayer "loans" money to the bank and receives interest in return. The securities subject to repurchase by the bank serve as collateral for the loan. The bank remains legally entitled to receive the interest payments from the issuing authority and remains the actual owner of the securities. Therefore, any tax benefit attributable to the "exempt" income paid by the issuing authority accrues to the bank and not to the investor.

i) Method for computing the subtraction of exempt income. The Department emphasizes that before a taxpayer may subtract an item of exempt income, the taxpayer must be sure that he or she has included the item, in Illinois base income. Some tax-exempt items are "automatically" included in base income because they are included in federal adjusted gross income, which is a part of base income. Interest on U.S. Treasury notes is not in this category. Other exempt items must be included as an addition on the Illinois tax return in figuring base income. In other words, the taxpayer must list certain tax-exempt items as additions and then as subtractions in figuring base income. Interest on the state and local government bonds described in Section (f) above, is in this category.

- 9) Reason for Approval of Expedited Correction: The expedited correction was approved by the Joint Committee on Administrative Rules at its meeting on November 16, 1993. These corrections are "omissions . . . that create unintentional discrepancies between adopted rule text and text previously published in the Illinois Register" as provided at 1 Ill. Adm. Code 245.110(a) and Section 5-85(b) of the Illinois Administrative Procedure Act.

Peremptory amendments to Section 121.63 were adopted effective October 1, 1993. The notice of peremptory amendments was published on October 8, 1993, at 17 Ill. Reg. 17477. The published and filed texts of the adopted amendments failed to include an amendment to Section 121.63 which was adopted effective August 26, 1993, and published on September 10, 1993, at 17 Ill. Reg. 14625. This failure created the error.

The effective date of the two sets of amendments will not be affected by the correction, since both sets of amendments were properly adopted effective August 26, 1993, and October 1, 1993, respectively. The inadvertent failure to include the first set of amendments in the text of the subsequent amendments will not affect the effective date.

The following deductions shall be allowed in the determination of the adjusted net monthly food stamp income:

- a) Earned Income Deduction. Eighty percent of total gross earned income is considered. (See 89 Ill. Adm. Code 121.40 through 121.54 for a description of earned income.)
- b) Standard Deduction. One hundred and thirty-one dollars (\$131.00) per household per month.
- c) Dependent Care Deduction
 - 1) Payments for the care of a child or other dependent when necessary for a household member to accept or continue employment or to seek employment in compliance with the job search criteria (contained in 89 Ill. Adm. Code 112.70 through 112.73) or to attend training or pursue education which is preparatory for employment.
 - 2) The amount of the deduction is to be determined by the actual costs for care and is not to exceed \$160.00 per month for each dependent household member.
- d) Shelter Costs Deduction
 - 1) Shelter costs that exceed 50% of the household's total income after the allowable deductions in subsections (a), (b) and (c) have been made. The shelter deduction shall not exceed \$207.00.
 - 2) If the household contains a member who is elderly or disabled as defined at 7 CFR 271.2 (1990) and Section 121.61 "Gross Monthly Income Eligibility Standards", there is no limit on the amount of excess shelter deduction.
 - 3) Households in which all members are homeless but that are not receiving free shelter throughout the month, are entitled to a one hundred and thirty-seven dollar (\$137.00) per month homeless shelter costs deduction. Homeless households with shelter costs which exceed the homeless shelter costs deduction, are allowed to claim the higher shelter costs if these costs are verified. Homeless households which receive free housing and utilities throughout the month are not entitled to the homeless shelter costs deduction.
 - 4) Shelter costs include only the following:

- A) Continuing charges for the shelter occupied by the household (rent, mortgage, and other charges leading to the ownership of the shelter, including interest on such charges).
- B) Property taxes, State and local assessments and insurance on the structure itself.
- C) Utility Costs
- i) Include the cost of heating and cooking fuel, air conditioning, electricity, water, sewerage, garbage and trash collection fees; basic service fee for one telephone (including tax on the basic fee) of \$27.00; and fees charged by the utility provider for initial installation. Utility deposits are not utility costs.
 - ii) Those households which are billed for heating or air conditioning, or both, separately from their rent or mortgage may claim the standard utility allowance of \$105.00 \$198.00. Households living in rental housing who are billed on a regular basis by a landlord for heating and/or air conditioning costs may use the standard utility allowance if utility usage is determined through a meter or otherwise is verifiable or if the charge for heating and/or air conditioning is separate and identifiable. If the standard utility allowance is used, then no other utility costs may be claimed. If actual utility costs exceed the standard utility allowance, then actual, verified costs may be claimed, except that if a separately-billed phone expense is claimed only the basic telephone allowance of \$27.00 per month is allowed. The client that maintains the same residence may not switch between the standard utility allowance and actual utility costs for a period of twelve months from the time of initial certification and no more frequently than once every twelve (12) months thereafter.
 - iii) However, during the heating or cooling season, a household that is billed less often than monthly for its heating and/or air conditioning costs but is otherwise eligible to use the standard utility allowance may continue to use the standard utility

allowance between billing months.

- iv) Households in public housing or privately owned rental units which receive a bill for over-usage are not entitled to use the standard utility allowance. When households (as defined at 7 CFR 273.1(a)(1990)) live together, the standard utility allowance shall be divided equally among the households which contribute toward the utility costs whether or not each household participates in the program.
- v) Households whose heat and/or air conditioning expense is covered by indirect energy assistance payments (Illinois Home Energy Assistance Program (47 Ill. Adm. Code 100)) shall be entitled to the standard utility allowance (7 CFR 273.9 and 273.10(d)(6) (1990)). The provisions of subsection (ii) above, are applicable to households whose heating and/or air conditioning expense(s) are covered by indirect energy assistance payments.
- D) Those households which are not billed separately for either heat or air conditioning are not entitled to claim the standard utility allowance but may claim the actual utility amounts for which they are billed separately, subject to the \$27.00 per month limitation for telephone expense.
- 5) Shelter costs for a home temporarily unoccupied by the household because of employment or training away from home, illness or abandonment caused by a natural disaster or casualty loss, if, the household intends to return to the home; the current occupants of the home, if any, are not claiming the shelter costs for food stamp purposes; and the home is not leased or rented during the absence of the household.
- 6) Charges for repair of the home which was damaged or destroyed due to a natural disaster. Shelter costs shall not include repair charges which have been or will be reimbursed by private or public relief agencies, insurance companies or any other source.
- e) Excess Medical Deductions. A deduction for excess medical expenses for households which contain an elderly or disabled member as defined at 7 CFR 271.2 (1990) and Section 121.61 "Gross Monthly Income Eligibility Standards". The medical expenses incurred by the

WILLIAM P. BRAKER DAY

Whereas, William P. Braker, director of the John G. Shedd Aquarium since 1964, has dedicated 43 years of service to one of the state's premier cultural institutions, which has more than 2 million visitors annually and provides more than 300,000 school-age residents with the opportunity to learn firsthand about nearly 8,000 aquatic specimens; and

Whereas, Mr. Braker is only the second director in the Shedd Aquarium's 63-year history as the world's largest indoor aquarium; and

Whereas, Mr. Braker, through his career, has made a concerted effort to educate visitors about maritime life and the importance of conserving natural environments by spearheading the development of a 90,000 gallon Caribbean Coral Reef exhibit, the Helen Shedd Keith Aquatic Science Center, the world's largest aquarium library, and most recently, the Asian River Habitat; and

Whereas, Mr. Braker maintained the cultural and historical integrity of the Shedd Aquarium building that is a Chicago landmark, yet, broke new ground using the latest technology and available resources to enhance and improve marine life exhibition with an addition that doubled the size of the original facility; and

Whereas, in April 1991, William Braker realized his dream and brought the first whales to the shores of Lake Michigan with the opening of the Oceanarium, a marine mammal pavilion that recreates the Pacific Northwest environment and is the home of beluga whales, Pacific white-sided dolphins, Alaskan sea otters, harbor seals, and in a specially designed Falkland Islands habitat, a colony of penguins; and

Whereas, Mr. Braker, through his leadership, thrust the Shedd Aquarium forward to become the fourth most popular Illinois attraction in 1992, based on attendance figures compiled by the Illinois Bureau of Tourism;

Therefore, I, Jim Edgar, Governor of the State of Illinois, proclaim December 9, 1993, as WILLIAM P. BRAKER DAY in Illinois in recognition of his contributions to the State of Illinois.

Issued by the Governor November 22, 1993.
